Our Personal Chefs

Nanna's dinners are planned and prepared by Chef Karen (Nanna) and Chef Tobie.

Tobie and Nanna have been professional chefs for over 26 years. After being formally trained by "Alex", from Paris' Cordon Bleu and Sven Knutson, a Danish pastry chef of 70 years they developed their own style of cooking which is a blend of American, British and Southern Indian called British Infusion.

A mix and match meal from Nanna's has been described as light and flavorful but fulfilling.
